

Organization:

Taylor-Walker Consulting, LLC

Position:

Actuarial Analyst (Entry-Level)

Post Date:

June 21, 2017

About Us:

Taylor-Walker Consulting, LLC provides actuarial consulting services to insurance companies, self-funded groups, municipal pools, third party administrators, and legal firms; as well as actuarial and regulatory consulting services to state insurance departments, receivers, and guaranty associations. Taylor-Walker consults in a variety of property and casualty, accident and health, and life insurance areas.

Taylor-Walker is an equal opportunity employer.

Responsibilities:

The actuarial analyst will work under credentialed actuaries and assist in analyzing data, preparing reserve and pricing analyses, drafting reports, and performing other assigned tasks as needed, primarily in the property and casualty area but with some opportunity for exposure to life and health actuarial work.

Minimum Qualifications:

- Actuarial Science/Statistics/Math or related degree.
- 3.0 GPA or higher.
- Proficiency in Excel and Word is desirable.
- Passed 0-3 actuarial exams.

Location:

Taylor-Walker Consulting office in Midvale, Utah.

Hours:

This is a full-time position of approximately 40 hours per week but seasonally higher, particularly during the first few months of each year. Typical hours are between 8:00 am and 5:00 pm, Monday through Friday.

Compensation:

Competitive compensation that will be determined based on the qualifications of the applicant.

Benefits:

Benefits include health insurance (Taylor-Walker pays 80% of the premium of a benchmark plan), simple IRA with Company match (for up to 3% of gross wages), group long-term disability, and an examination

study program (Taylor-Walker pays for a portion of study time plus reimbursement of exam fees and study materials upon passing each exam).

Application:

Please apply by June 28, 2017 by emailing a resume and cover letter detailing your interest and qualifications to Scott Garduno at sgarduno@taylor-walker.com.
