

INTERNSHIP OPPORTUNITY

We are looking for an exceptional statistics student interested in doing a paid Business Statistics Internship. This is a great opportunity to gain valuable business experience related to your academic studies. We will pay the equivalent of a competitive hourly rate based on successful completion of key milestones. The project involves normalizing and analyzing a customer database with multiple attributes to determine the correlation between specific customer attributes and subscription renewal rates. We are an online business that sells subscriptions in a B2B industry.

Project start is targeted for June with an estimated completion of 4-6 weeks of part-time (20 hours/week), depending on skill level and efficiency. The project will require advanced level of statistics skills (i.e. advanced undergraduate or graduate level skill). If interested or if you have questions, please contact William Webster at (801)855-7009 or wwebster@periscopeholdings.com.

About Periscope Holdings, Inc.

Periscope Holdings, Inc. is the leader in purpose-based procurement. We eradicate waste and maximize the value of every dollar spent by our public section and higher education clients with procurement transformation software solutions and services.

Recognized in 2014 and again in 2015 by the Austin Business Journal as a Fast50 company and in 2015 by Inc. 5000, Periscope was ranked for being one of the fastest growing privately held companies in the US and in Texas. Headquartered in Austin Texas with an additional office in American Fork Utah, we embrace the culture of laid back high achievers.

Come join our team, we want you to be part of something great!
