Upcoming Scholarships

Fulbright Information Meeting
Come learn how to be competitive and apply for a Fulbright Fellowship!
Monday • September 8, 2014 • 2:00 – 2:50 p.m. • 3380 WSC (Little Theater)

Fulbright Fellowship
The Fulbright Fellowship funds of 1,100 one-year grants for research, graduate study, or English teaching in over 128 countries. Meet, live, work with and learn for the people of the host country and share diverse experiences. Grants are awarded in nearly all fields and disciplines. BYU Deadline: September 22, 2014

Gates Cambridge Scholarship
The Gates Cambridge Scholarship funds a second Bachelor’s degree, one-year postgraduate courses, or research leading to a Ph.D. at the University of Cambridge. Students must first gain admission to the University of Cambridge (and constituent college) and also apply for the Gates Scholarship. Deadline: October 15, 2014

Hertz Foundation Fellowship
The Hertz Foundation Graduate Fellowship awards over $90,000 over three years for students seeking a PhD in the applied physical, biological, and engineering sciences. Deadline: October 31, 2014

National Science Foundation (NSF) Graduate Research Fellowship
The NSF awards over two thousand fellowships providing three years of support for graduate study in science or engineering leading to a research-based Master’s or PhD in science, mathematics, engineering, physics, psychology, and the social sciences. Deadline: October 29 - November 4, 2014 (deadlines vary according to discipline)

Harry S. Truman Scholarship
The Harry S. Truman scholarship awards $30,000 for graduate study to students planning on pursuing public service careers. BYU Deadline: November 28, 2014

Barry M. Goldwater Scholarship
The Goldwater scholarship offers a 1-2 year scholarship up to $7,500 annually for sophomore or junior students involved in math, science, or engineering research. Deadline: December 19, 2014
